**Subject:** Bernadette Escue - restitution amount

Lori:

Following our conversation, attached are the following documents from discovery (contained in the initial discovery I received, and hand-numbered as Bates pages 32-33):

- Letter dated August 6, 2004 from Chubb Group to AUSA Matt Harris (noting loss in the amount of \$90,297)
- "Release and Assignment" dated June 8, 2004 (signed by Network on July 26, 2004, noting payment to Network of \$40,297.53, with a hand-written notation of a \$50,000 deductible)

By these documents, it seems loss and restitution should be set at \$90,297.53.

You noted that your belief in the draft PSR that restitution equals \$95,619.21 (draft PSR, p. 5, ¶ 20) was derived from notes provided to you by Joe or the case agent. I don't have those notes. Please provide those to me if there will continue to be a controversy over whether restitution is set at \$90,297.53.

Thanks.

Mark

Joe:

Got it. The typewritten pages with the handwritten notes on the final page. Sorry for my oversight, and thanks for clarifying.

Let me/us know what you think further.

Mark,

You do have the notes for the \$95,69.21 figure, they are right at the front of the materials I sent to Lori T on 11/27/07 and subsequently faxed to you in their entirety on 1/10/08 (the spreadsheet for the 95K figure is right after the letter to Ms. Timmons, and the 302 dated 10/19/07). That being said, let me take a look at the documents to see what our position will be regarding what should be the appropriate restitution amount.

Joe
